To Miss ERNA NEUFELD :-

On behalf of the students of B.B.I. the 1963 OPTIC staff dedicates this book.

Miss Neufeld became a staff member of the Institute, as Dean of Women in 1945. Since then she has devoted her time and effort to the counselling and instructing of many young women in their Christian walk.

We trust that this dedication will show our appreciation for such faithful service.

Rev. and Mrs. Henry Hildebrand

Christ is the all-inclusive answer to a student's question about God, about the life "here" and "hereafter". He is the way, without him there is no going. He is the truth, without him there is no knowing. He is the life, without him there is no growing. He alone is the divine response to the deepest need of any person's heart. That deepest need is to know God in a way that redeems. He is that way to God.

If you want reality and its meaning you will find it in Jesus. He is the truth about God and the universe, about man and his sin, about salvation and the joy of life. No truth can be independent of Jesus.

But of what value is truth if you cannot live by it? What is the significance of the way if there is no strength to walk in it? With the truth and the way our Lord Jesus also brings life. He is the life, the enabling life, the satisfying life, and the fruitful life.

Someone has described modern youth as "uncommitted yet longing to be committed". Out of our experience in walking with our God together for a quarter of a century we recommend to you our wonderful Lord. He is worthy of your total commitment. "They who trust Him wholly find Him wholly true."

Would you place your feet in the way that leads to heaven and home? Would you come into life abundant and blessed? Would you enter the father's house? We bear our united testimony to Jesus Christ as the answer. He said, "I am the way, the truth, and the life: no man cometh unto the father, but by me."

The Briercrest Bible Institute is located on the Trans-Canada Highway, fifteen miles west of Moose Jaw, Saskatchewan. The School was formerly a Second World War R.A.F. base. In 1946 it was converted into a campus dedicated to the training of High School and Bible School students to

the service of God. Since its prayerful beginning the school has grown in size and population to about 750 students and staff members. It is our desire that in the following pages we will convey a realistic impression of life at Caronport.

# STUDENT PRESIDENT SPEAKS

## STUDENT PRESIDENT SPEAKS: -

O give thanks unto the Lord; call upon His name; make known His deeds among the people. Psalm 105:1

Another year had been added to the history of our lives. As we look back upon the year, truly we can say, "Great is the Lord and greatly to be praised."

We, as students both of the High School and Bible School, have much to thank the Lord for. As we have fellowshipped together in the different phases of our training here, He has blessed us according to our faithfulness to Him.

Let us remember, that with this privilege come the responsibility of being found in the center of God's will for our lives. May each one of us be "Like a tree planted by the rivers of water, that bringeth forth His fruit in His season."

## President's Message

There is a way in which all of God's people who are interested in the Institute can have a share in the work of the general board.

That way is through prayer. The members of the board are anxious that many people remember them at the throne of Grace, that in all of their deliberations, God's will, and way, may be found and followed.

JOHN LAKE

"For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's." Rom. 14:8

Such a dedication was true in John's life, particularly during the last few weeks before May 8, 1962, when he went to be with the Lord.

Previous to the one year he spent in Bible school with us in '61-'62, John completed two years of high school at B.B.I.

Although we sorrow along with the Lake family, we know that in Glory, "Our sorrow shall be turned into joy." John 16:20b

## PRACTICAL WORK REPORT

The Practical Work Committee provides openings for students to put into practice what they have learned in the classroom and reaches unevangelized areas for Christ. Each Friday afternoon 140 young people travel to Moose Jaw, Regina and surrounding areas where over 80 Bible Clubs are conducted reaching about 600 children.

Groups go out Sunday to pastorates in Edgehill, Old Wives and Darmoody and teams frequently travel throughout the nearby Provinces.

The Old Folks Home in Tuxford and the Training School in Moose Jaw are also weekly opportunities for Christian witness, as are the Sunday Schools in some of the Moose Jaw churches.

#### TED PETERS

The training by God Himself at the Briercrest Bible Institute has proven invaluable, through the wide range of courses available. The ground-work was laid, and the theory has become the practical. The deepening knowledge of God, and love for Him learned at school, has led into the ministry, and it is a liberty to be busy in His service.

Phil. 4:13

#### MISS RUTH BODIE

To me, Briercrest Bible Institute represents the difference between ignorance of scriptural truth and the receiving of a key to the study of the information in God's Word. Having attended "a Bible School," has provided many opportunities for witnessing to patients and staff. The inter-denominational character of the school has been invaluable in my work as Sponsor of a Nurses Christian Fellowship Group.

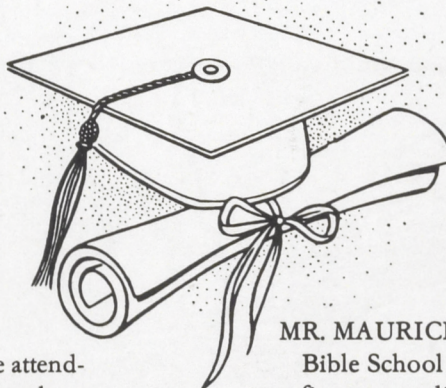

Ps. 96:2-4

#### MR. and MRS. J. JACOBSON

In endeavoring to further our preparation for the Lord's work, Bettie and I are attending university this winter. How thankful we both are for the three years of study at Briercrest, and for the very necessary grounding in the greatest textbook "the word of our God (which) shall stand forever."

Is. 40:8

#### MR. GORDON PETERSON

I count it a real privilege to have attended the Briercrest Bible Institute for three winters.

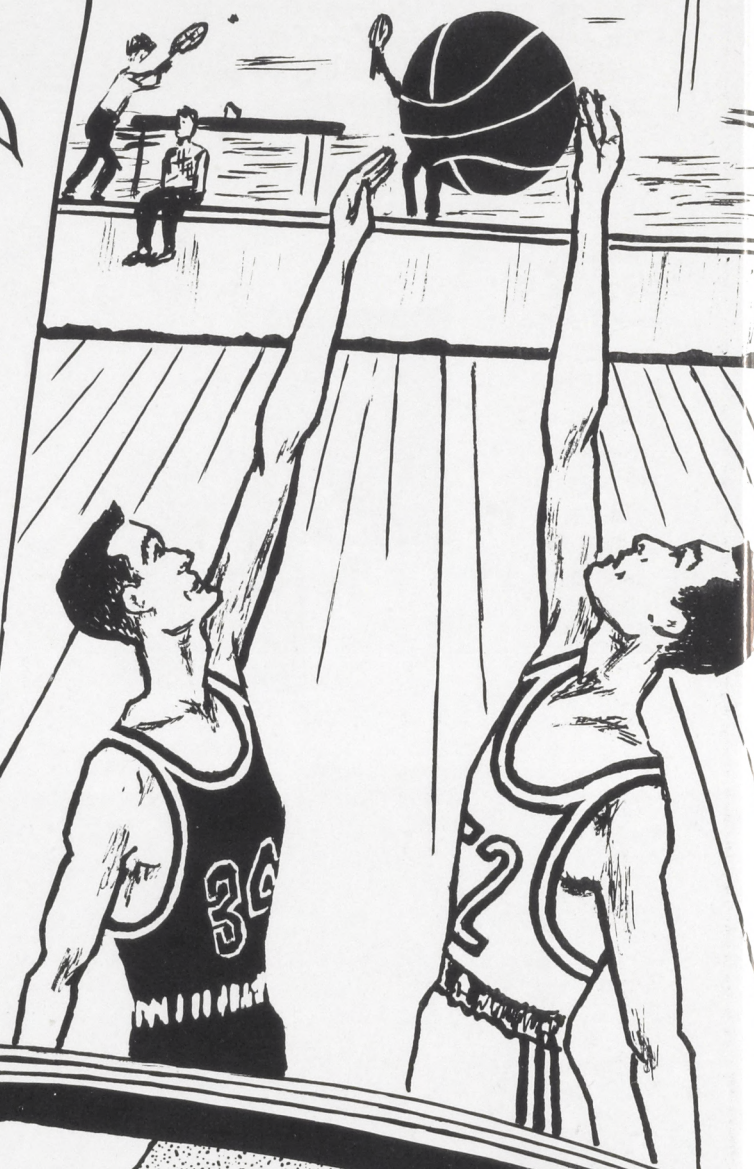

Having never attended church or Sunday School prior to my attendance at Briercrest I feel that time of Bible study has grounded me in the Word and strengthened my Christian walk bringing me to a fuller knowledge of the Living Word.

#### MR. MAURICE GREINER

Bible School training, besides giving an individual a firm grounding in the Word, provides a proper sense of moral and spiritual values by which we may retain our Christian identity.

....Glorify God in your body, and in  
your spirit, which are God's.
